

AAP-HHS Pediatric Provider Educational Webinar

The American Academy of Pediatrics (AAP), in partnership with the U.S. Department of Health & Human Services, Office of the Assistant Secretary for Preparedness & Response (ASPR) in collaboration with federal, territory, and community partners will be providing an educational webinar for pediatric medical providers aimed at offering resources focused on disaster-related: (1) small business restoration, (2) preparedness, and (3) mental health services.

This is a webinar version of our regional workshops recently held in Puerto Rico.

Webinar will be held on **Tuesday, 5/1/18 5:30pm-7pm EST/AST**, and will be recorded/archived for future access.
