## WHO SPONSORS ASPR TRACIE?

The U.S. Department of Health and Human Services (HHS) Administration for Strategic Preparedness and Response (ASPR).

## WHAT IS ASPR TRACIE?

A healthcare emergency preparedness information gateway that ensures that all stakeholders—at various government levels; in nongovernmental organizations; and in the private sector—have access to information and resources to improve preparedness, response, recovery, and mitigation efforts. Each domain (TR, AC, and IE) provides users with unique support.

## WHY ASPR TRACIE?

We fill gaps in healthcare system preparedness capabilities by sharing information and promising practices during planning efforts. During a disaster, we leverage resources to better support affected stakeholders and serve as a force multiplier, improving information sharing and minimizing duplication of effort.

## GET INVOLVED!

- [Register](#) for the ASPR TRACIE Listserv and Information Exchange.
- Apply to serve in the [ASPR TRACIE SME Cadre](#).
