Why ASPR TRACIE?

(Technical Resources, Assistance Center, & Information Exchange)

ASPR TRACIE was developed as a healthcare emergency preparedness information gateway to address the need for:

- Enhanced and rapid technical assistance
- A comprehensive, one-stop, national knowledge center for healthcare system preparedness
- Multiple ways to efficiently share and receive information between various entities, including peer-to-peer
- A way to leverage and better integrate support (force multiplier)
- Helping prepare deployed and field staff via our Technical Resources and Subject Matter Experts

ASPR TRACIE: Three Domains

- Self-service collection of audience-tailored materials
- Subject-specific, SME-reviewed "Topic Collections"
- Unpublished and SME peer-reviewed materials highlighting real-life tools and experiences

- Personalized support and responses to requests for information and technical assistance
- Accessible by toll-free number (1844-5-TRACIE), email (askasprtracie@hhs.gov), or web form (ASPRtracie.hhs.gov)

- Area for password-protected discussion among vetted users in near real-time
- Ability to support chats and the peer-to-peer exchange of user-developed templates, plans, and other materials
