

Hidden Consequences: How the COVID Pandemic is Impacting Children

ASPR TRACIE Webinar Series

September 2020

The U.S. Department of Health and Human Services' (HHS) Office of the Assistant Secretary for Preparedness and Response (ASPR) Technical Resources, Assistance Center, and Information Exchange (TRACIE), in collaboration with [ASPR's Pediatric Centers of Excellence](#) are collaborating on a webinar series focused on how the COVID-19 pandemic may affect children. Topics will include impacts on child health and wellness, child emotional and social effects, the impact of COVID-19 on children with special healthcare needs, and how secondary/other disasters may affect children during the pandemic.

Child Health and Wellness

The first webinar in this series will focus on child health and wellness. Panelists will discuss resumption of routine care, missed immunizations, lead poisoning screening, sleep, and child neglect and abuse. This webinar will take place on **Wednesday, September 30, 2020 from 1:30-2:45 PM ET**. [Register today](#).

Child Emotional and Social Effects

The second webinar in this series will focus on the emotional and social effects of COVID-19 on children. Panelists will discuss food and financial insecurity, racial disparities, the impact of social determinants on children's health, return to school and daycare, and alternate childcare. This webinar will take place on **Friday, October 16, 2020 from 1:00-2:15 PM ET**. [Register today](#).

The Effects of Secondary Disasters on Children

The third webinar in this series will focus on how secondary disasters may affect children during the COVID-19 pandemic. Panelists will discuss sheltering in place versus mass sheltering; family preparedness considerations; wildland fire preparedness and response; the potential impact associated with the 2020-2021 influenza season; planning for pediatric surge; multisystem inflammatory syndrome in children (MIS-C): epidemiology, clinical features, laboratory findings and outpatient approach; and pharmacy and supply chain considerations. This webinar will take place on **Friday, October 23, 2020 from 1:00-2:30 PM ET**. [Register today](#).

Impact of COVID-19 on Children with Special Healthcare Needs

The fourth and final webinar in this series will focus on the impact of the COVID-19 pandemic on children with special healthcare needs. Panelists will discuss related programs, the impact of COVID-19 and social determinants on this population of children, behavioral health/ psychological effects, child neglect/abuse, and secondary disaster preparedness planning considerations. This webinar will take place on **Thursday, October 29, 2020 from 1:00-2:00 PM ET**. [Register today](#).
