

**Rachel Lehman, ASPR TRACIE Acting System Owner and Director
HHS ASPR, Office of Emergency Management and Medical Operations**

Rachel Lehman is honored to be joining ASPR TRACIE as the Acting System Owner and Director. She previously she served as an analyst in ASPR's Division of Critical Infrastructure Protection where she led communications, helped manage the Healthcare and Public Health Sector Partnership, and worked on all-hazards risk assessment for the healthcare sector. Rachel is excited to leverage her experience in partnership building and emergency preparedness in her new role as the Acting Director of ASPR TRACIE. Prior to joining ASPR, she supported the U.S. Environmental Protection Agency's Office of Research and Development working on chemical risk assessment.
