

Pediatric Issues Informing Current and Future Disaster Planning

October 3, 2024 – 1:30-2:45pm (Eastern Time)

The U.S. Department of Health and Human Services (HHS) Administration for Strategic Preparedness and Response, Technical Resources, Assistance Center, and Information Exchange ([ASPR TRACIE](#)) and [ASPR's Pediatric Disaster Care Centers of Excellence](#) (PDCOE) invite you to this webinar where pediatric professionals will discuss how PDCOE efforts are shaping current and future pediatric disaster care planning. Panelists will share tangible examples and best practices of how to integrate pediatric issues in healthcare preparedness plans, trainings, and exercises.
