

ASPR TRACIE Resource Overview 2019

Webinar
August 27, 2019, 1:30 – 2:45 PM ET

ASPR's Technical Resources, Assistance Center, and Information Exchange ([TRACIE](#)) has processed nearly 5,000 technical assistance requests and developed over 200 original content resources, designed to support healthcare emergency providers and planners across the country. Speakers will provide an overview of the three ASPR TRACIE domains and how our most recently completed resources may be used to improve your preparedness and response planning efforts. The overview of resources will include: healthcare coalition tools and checklists; mass casualty resources; pediatric resources; federal resources available for hospital recovery; modules on self-care for healthcare providers; emergency preparedness information for nurses; and upcoming ASPR TRACIE Exchange themes.

The webinar will take place **Tuesday, August 27, 2019 from 1:30-2:45 PM ET.**

PANELISTS

- **Shayne Brannman, MA, MS**, Director, ASPR TRACIE
- **Meghan Treber, MS**, ASPR TRACIE (ICF TRACIE Project Director)
- **John Hick, MD**, Hennepin Healthcare & ASPR TRACIE Senior Editor

REGISTRATION

REGISTER HERE for this free webinar. The webinar will also be recorded and archived on the ASPR TRACIE website within one business day. Each registrant will receive a unique link that will be needed to access the webinar. The link can only be used on one computer; do not forward your registration confirmation emails to others. Please note that this webinar will be **limited to the first 1,000 registrants**, so register early. Where possible, only register one time per office or organization and view the webinar together to allow the maximum number of participants.

Audio: You can use your computer microphone and speakers (VoIP) or telephone. A phone number and PIN will be provided after you log in to the webinar.
