

COVID-19: Healthcare System Operations Strategies and Experiences

Webinar

May 11, 2020 ~ 2:00 to 3:30 PM ET

Healthcare systems across the U.S. have responded to the Coronavirus Disease 2019 (COVID-19) pandemic in different and innovative ways, depending on resources, patient surge, and many other factors. Communities are still actively

responding to the pandemic. Healthcare systems are collaborating and sharing information to address the challenges. The v

Registration full--please check <https://asprtracie.hhs.gov/> to access the recording within 24 hours of the webinar.
