

# Hidden Consequences: How the COVID Pandemic is Impacting Children

## Webinar Series

### Webinar #3: The Effects of Secondary Disasters on Children

October 23, 2020 ~ 1:00-2:30 PM ET

ASPR TRACIE and [ASPR's Pediatric Centers of Excellence](#) are collaborating on a webinar series focused on how the COVID-19 pandemic may affect children. Topics will include impacts on child health and wellness, child emotional and social effects, the impact of COVID-19 on children with special healthcare needs, and how secondary disasters may affect children during the pandemic.

The third webinar in this series will focus on how secondary disasters may affect children during the COVID-19 pandemic. Panelists will discuss sheltering in place versus mass sheltering; family preparedness considerations; wildland fire preparedness and response; the potential impact associated with the 2020-2021 influenza season; multisystem inflammatory syndrome in children (MIS-C): epidemiology, clinical features, laboratory findings and outpatient approach; and pharmacy and supply chain considerations. This webinar will take place on **Friday, October 23, 2020 from 1:00-2:30 PM ET.**
