Rising from the Ashes: Signature Healthcare's Response to the Unimaginable

Kim Walsh, MSN, RN

Sr. VP, Chief Operating Officer, Signature Healthcare, Brockton, MA

Kim Walsh is Chief Operating Officer with Signature Health where she oversees human resources, quality resources, risk management, patient care assessment, diagnostic and imaging services, facilities, safety, environmental services, dietary services, interpreter service, pharmacy services, and hospital-based physician services. She began my career here at the hospital in 1985 as a staff nurse and has been a member of the Senior Leadership Team for 20 years.
