

Developing a Healthcare Coalition Pediatric Surge Annex

Webinar
February 26, 2020 ~ 1:30 – 3:00 PM ET

The 2019-2023 HPP Funding Opportunity Announcement (FOA) requires healthcare coalitions (HCCs) to develop a coalition-level pediatric annex that complements their base medical surge/trauma mass casualty response plans. This annex would improve regional capacity and capabilities to manage a surge of pediatric patients. This webinar supplements the “Pediatric Annex Planning” workshop convened at the 2019 National Healthcare Coalition Preparedness Conference, and features national experts discussing guidance, resources, and lessons learned to help HCCs develop a pediatric surge annex. The webinar will take place **Wednesday, February 26, from 1:30-3:00 PM ET.**
