Cardinal Glennon

Julie A. Weber, BS Pharm, CSPI
Director Missouri Poison Center
SSM Health Cardinal Glennon Children's Hospital

Julie Weber is a Registered Pharmacist, Director of the Missouri Poison Center, Certified as a Specialist in Poison Information and Adjunct Clinical Instructor in Pharmacy at the University of Health Sciences and Pharmacy in St. Louis. Julie joined the team at SSM Health Cardinal Glennon Children's Hospital Poison Center in 1989 and has served as director of the Missouri Poison Center since 2008. She is the current President for the American Association of Poison Control Centers (AAPCC) and is a member of both the AAPCC and the American Academy of Clinical Toxicology. In 2018, she was appointed as a member of the National Poison Data System Committee. Her vested interests reside in raising awareness of the value of

poison centers and works closely with the Missouri Department of Health to provide the Missouri Ready Line for public health emergencies.
