Brief Speaker Biographies

Healthcare System Preparedness Considerations Speaker Series

Telehealth in Disaster Preparedness and Response

**James P Marcin, MD, MPH**

Professor, Department of Pediatrics  
UC Davis Health

Dr. Marcin is a Professor and Vice Chair for Research in the Department of Pediatrics at the UC Davis School of Medicine. He is also the Director of the Center for Health and Technology at UC Davis Health. In addition to his work in the Pediatric Intensive Care Unit, he conducts research and advocacy related to access and quality of care for under-resourced populations, particularly as it relates to telehealth and children with special healthcare needs.
