

# Hidden Consequences: How the COVID Pandemic is Impacting Children

## Webinar Series

### Webinar #4: The Impact of COVID 19 on Children with Special Healthcare Needs October 29, 2020 ~ 1:00-2:00 PM ET

ASPR TRACIE and [ASPR's Pediatric Centers of Excellence](#) are collaborating on a webinar series focused on how the COVID-19 pandemic may affect children. Topics will include impacts on child health and wellness, child emotional and social effects, the impact of COVID-19 on children with special healthcare needs, and how secondary/other disasters may affect children during the pandemic.

The fourth and final webinar in this series will focus on the impact of the COVID-19 pandemic on children with special healthcare needs. Panelists will discuss related programs, the impact of COVID-19 and social determinants on this population of children, behavioral health/ psychological effects, child neglect/abuse, and secondary disaster preparedness planning considerations. This webinar will take place on **Thursday, October 29, 2020 from 1:00-2:00 PM ET.**
