Jurisdiction: _____ Date: _____

Point of Contact: _____ Title: _____

Email: _____ Phone Number: _____

Part I: Initial Assessment

Please complete the following self-assessment related to activities within the jurisdiction. This assessment should include ***all*** of the capacity within the jurisdiction, not just what is available within a specific agency. This assessment should include more than just the capacity of governmental agencies.

Planning

Jurisdictional Capability Target:

Capability Assessment:

1. Has there been any significant change in the threats and hazards listed in jurisdiction's 2014 THIRA submission? Yes ☐ No ☐

If yes, please explain:

- Did this review include multiple disciplines? Yes ☐ No ☐

Yes ☐ No ☐

- Yes ☐ No ☐

- Yes ☐ No ☐

- Yes ☐ No ☐

- Yes ☐ No ☐

- Yes ☐ No ☐

- Yes ☐ No ☐

--

10. Does the jurisdiction utilize risk analyses in planning? Yes ☐ No ☐

11. Is the jurisdiction's EOP posted on-line? Yes ☐ No ☐

If so, what is the website address for the plan? _____

12. What is the jurisdiction's greatest challenge related to the Planning capability?

13. What is the jurisdiction's greatest strength related to the Planning capability?

Public Information and Warning

Jurisdictional Capability Target:

Capability Assessment:

1. What public information and warning systems are used in the jurisdiction?

2. How is social media used to alert and provide information to the public?

List the web-site where residents can sign-up for service: _____

8. Do the public information and warning systems consider populations with access and functional needs? Yes ☐ No ☐

Explain:

9. What is the jurisdiction's greatest challenge related to the Public Information and Warning capability?

10. What is the jurisdiction's greatest strength related to Public Information and Warning capability?

Operational Coordination

Jurisdictional Capability Target:

Capability Assessment:

1. Does the jurisdiction have a mobile command post? Yes ☐ No ☐

Who owns and maintains the mobile command post? _____

2. Does the jurisdiction have a functional Emergency Operations Center (EOC)?
Yes ☐ No ☐

Does the EOC have adequate space? Yes ☐ No ☐

Does the EOC have necessary equipment? Yes ☐ No ☐

Does the EOC have operating policies? Yes ☐ No ☐

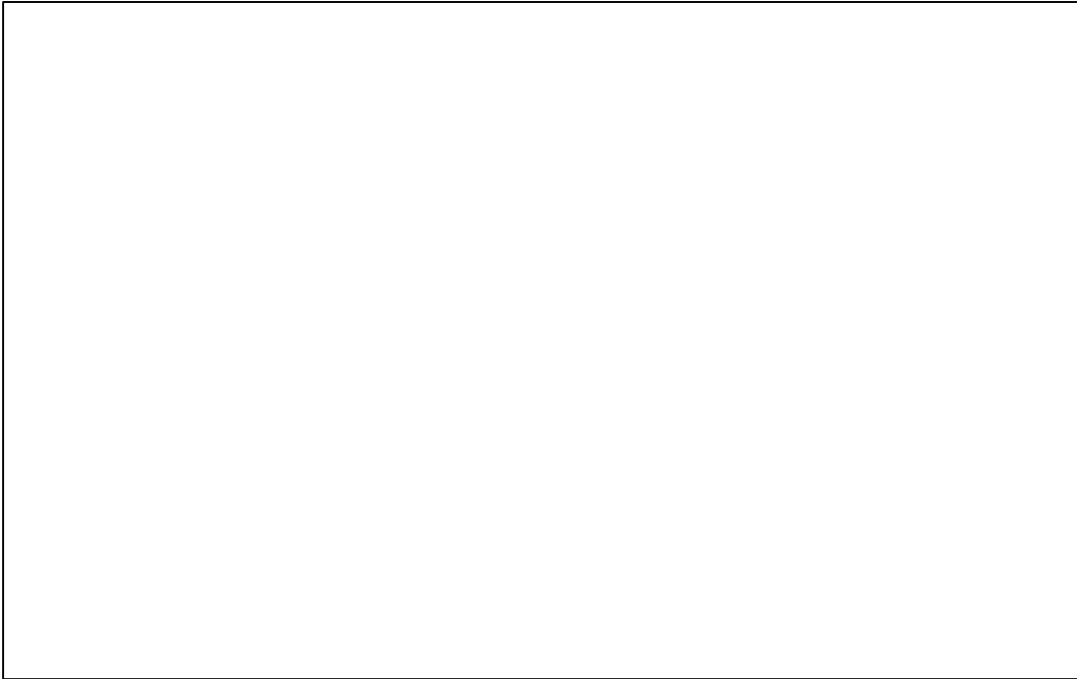

Do EOC personnel have proper training? Yes ☐ No ☐

3. Does the EOC have a call-out list for all stakeholder agencies? Yes ☐ No ☐

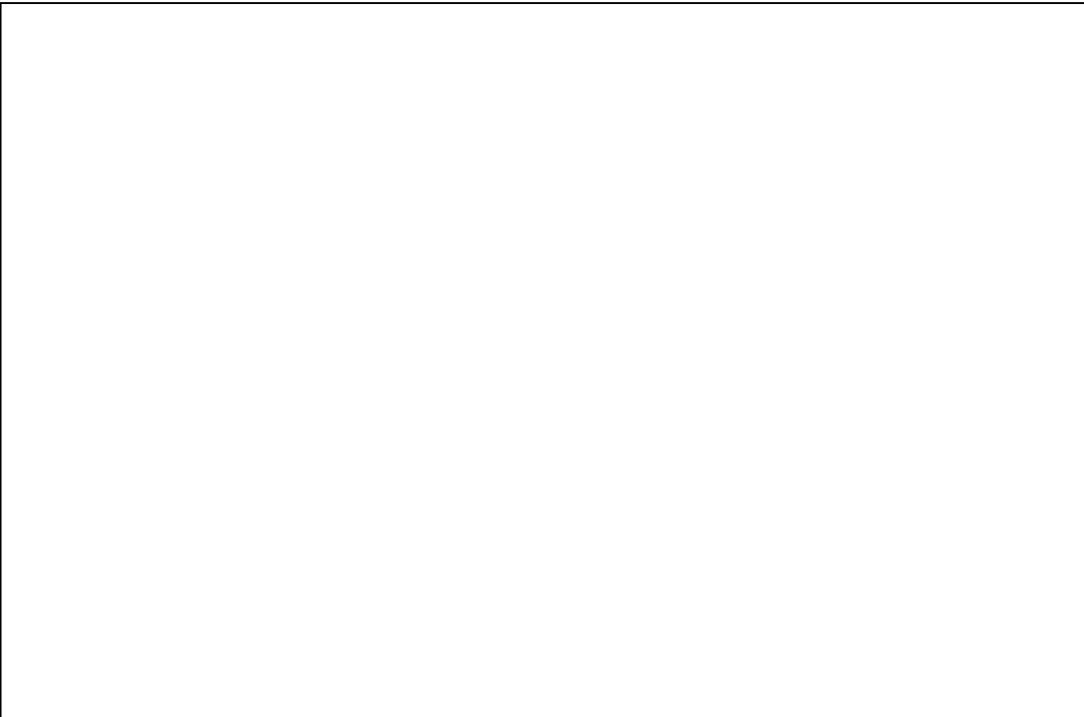

4. When was the last time the EOC was activated and used as part of an exercise or an actual event? _____ (month/year)

Please list all identified recommendations to improve this capability.

7. What is the jurisdiction's greatest challenge related to the Operational Coordination capability?

8. What is the jurisdiction's greatest strength related to the Operational Coordination capability?

Community Resilience

Jurisdictional Capability Target:

Capability Assessment:

1. What programs (i.e. preparedness education/trainings) or activities does the jurisdiction undertake to foster individual and community resilience?

2. Does the jurisdiction communicate specific hazards and risks to individual communities?

Yes ☐ No ☐

3. Does the jurisdiction disseminate disaster preparedness information?

Yes ☐ No ☐

Please provide examples:

4. Does the jurisdiction post links or materials regarding individual resilience on a central website? Yes ☐ No ☐

If so, what is the website address? _____

5. Does the jurisdiction utilize social media to promote individual and community resilience? Yes ☐ No ☐

Please provide examples:

6. Has the jurisdiction participated in America's PrepareAthon! to promote public preparedness? Yes ☐ No ☐

Please provide examples:

7. Has the jurisdiction participated in National Preparedness Month to promote public preparedness? Yes ☐ No ☐

Please provide examples:

8. Does the jurisdiction include individuals with access and functional needs in community resilience efforts? Yes ☐ No ☐

Please provide examples:

9. Indicate in which of the following areas does the jurisdiction utilize volunteers?
(check all that apply)

EOC operations

☐

Sheltering

☐

Feeding

☐

Traffic Control

☐

Search and Rescue

☐

Community Preparedness Outreach/Education

☐

Social Media

☐

Animal Care/Sheltering

☐

Emotional/Spiritual Care

☐

☐

Other ways volunteers are utilized in the jurisdiction:

10. Does the jurisdiction involve the *whole community* in exercises? Yes ☐ No ☐

Please provide examples:

11. In what way(s) could the state help support community resilience efforts? What would be most helpful to support activities within jurisdiction?

A large, empty rectangular box with a thin black border, intended for a written response to question 11.

12. What is the jurisdiction's greatest challenge related to the Community Resilience capability?

A large, empty rectangular box with a thin black border, intended for a written response to question 12.

13. What is the jurisdiction's greatest strength related to the Community Resilience capability?

A large, empty rectangular box with a thin black border, intended for a written response to question 13.

Critical Transportation

Jurisdictional Capability Target:

Capability Assessment:

1. Have evacuation routes been identified for all areas of the jurisdiction?

Yes ☐ No ☐

When were these evacuation plans last updated? _____

2. Is the jurisdiction's evacuation plan posted on-line? Yes ☐ No ☐

If so, what is the website address for the plan? _____

3. How are evacuation instructions communicated to the community before/during an incident?

4. What plans are in place to ensure that individuals with access and functional needs are able to evacuate?

5. What plans are in place to evacuate individuals without private transportation?

Yes ☐ No ☐

9. When was the last time the evacuation plan was activated and used as part of an exercise or an actual event? _____ (month/year)

Please list identified recommendations to improve this capability:

10. What is the jurisdiction's greatest challenge related to the Critical Transportation capability?

A large, empty rectangular box with a thin black border, intended for the user to write their answer to question 10.

11. What is the jurisdiction's greatest strength related to the Critical Transportation capability?

A large, empty rectangular box with a thin black border, intended for the user to write their answer to question 11.

Environmental Response, Health and Safety

Jurisdiction Capability Target:

Capability Assessment:

1. Does the jurisdiction have a haz-mat response capability? Yes ☐ No ☐

What agencies oversee and/or support this function?

2. Does the jurisdiction have decontamination capability? Yes ☐ No ☐

What agencies oversee and/or support this function?

3. Does the jurisdiction have the ability to conduct health and safety monitoring?

Yes ☐ No ☐

What agencies oversee and/or support this function?

4. Does the jurisdiction have the ability to conduct predictive modeling?

Yes ☐ No ☐

5. Has the jurisdiction completed a risk assessment?

Yes ☐ No ☐

Please provide most recent date of completion: _____

6. Has the jurisdiction assessed impacts from the following threats and hazards:

Rail accidents Yes ☐ No ☐ N/A ☐

Road/Interstate accidents Yes ☐ No ☐ N/A ☐

Pipeline explosions/leaks Yes ☐ No ☐ N/A ☐

Air transportation Yes ☐ No ☐ N/A ☐

River transportation Yes ☐ No ☐ N/A ☐

Fixed facility haz-mat incidents Yes ☐ No ☐ N/A ☐

Oil & gas extraction Yes ☐ No ☐ N/A ☐

Public health emergency Yes ☐ No ☐ N/A ☐

Animal health emergency Yes ☐ No ☐ N/A ☐

Drinking water contamination Yes ☐ No ☐ N/A ☐

Utility outage Yes ☐ No ☐ N/A ☐

Mass Evacuation Yes ☐ No ☐ N/A ☐

Severe storms Yes ☐ No ☐ N/A ☐

Drought Yes ☐ No ☐ N/A ☐

Flooding Yes ☐ No ☐ N/A ☐

Extreme weather Yes ☐ No ☐ N/A ☐

Mudslides/landslides/sinkholes Yes ☐ No ☐ N/A ☐

Dam/impoundment failure Yes ☐ No ☐ N/A ☐

7. Has the jurisdiction completed a commodity flow study? Yes ☐ No ☐

Please provide most recent date of completion: _____

8. What is the jurisdiction's greatest challenge related to the Environmental Response, Health and Safety capability?

9. What is the jurisdiction's greatest strength related to the Environmental Response, Health and Safety capability?

Mass Care

Jurisdictional Capability Target:

Capability Assessment:

1. What agency within the jurisdiction is designated to coordinate mass care?

2. How many facilities have been identified as potential shelters? _____

What is the **total** shelter occupancy capacity within the jurisdiction? _____

3. Are sufficient personnel trained and available to staff two shelters from within the jurisdiction? Yes ☐ No ☐

What agencies supply these personnel?

4. How many cots are available within the jurisdiction? _____

What agency maintains these cots and where are they stored?

7. Is additional training on the SIRN system and equipment needed within the jurisdiction?

Yes ☐ No ☐

8. What is the jurisdiction's greatest challenge related to the Operational Communications capability?

A large, empty rectangular box with a thin black border, intended for the user to write their answer to question 8.

9. What is the jurisdiction's greatest strength related to the Operational Communications capability?

A large, empty rectangular box with a thin black border, intended for the user to write their answer to question 9.

Situational Assessment

Jurisdictional Capability Target:

Capability Assessment:

1. What systems are used to maintain situational awareness?

2. How are various stakeholders engaged to maintain situational awareness?

3. Does the EOC have the ability to track response activities? Yes ☐ No ☐

4. Does the EOC have the ability to track resources? Yes ☐ No ☐

5. Does the EOC have the ability provide situation reports to the State EOC?

Yes ☐ No ☐

Please primary methods used to provide situation reports to the State EOC:

6. Does the jurisdiction have the ability to use modeling to determine hazard impacts?

Yes ☐ No ☐

7. Are agency situation reports shared among all stakeholders within the jurisdiction?

Yes ☐ No ☐

If so, please explain how these situation reports are shared:

8. In the last two years has the jurisdiction integrated situational awareness systems into an exercise? Yes ☐ No ☐

If so, please identify the exercise (i.e. name and date) and recommendations to improve this capability.

9. Which situational awareness systems are used within the jurisdiction?

HSIN Yes ☐ No ☐

E-Team Yes ☐ No ☐

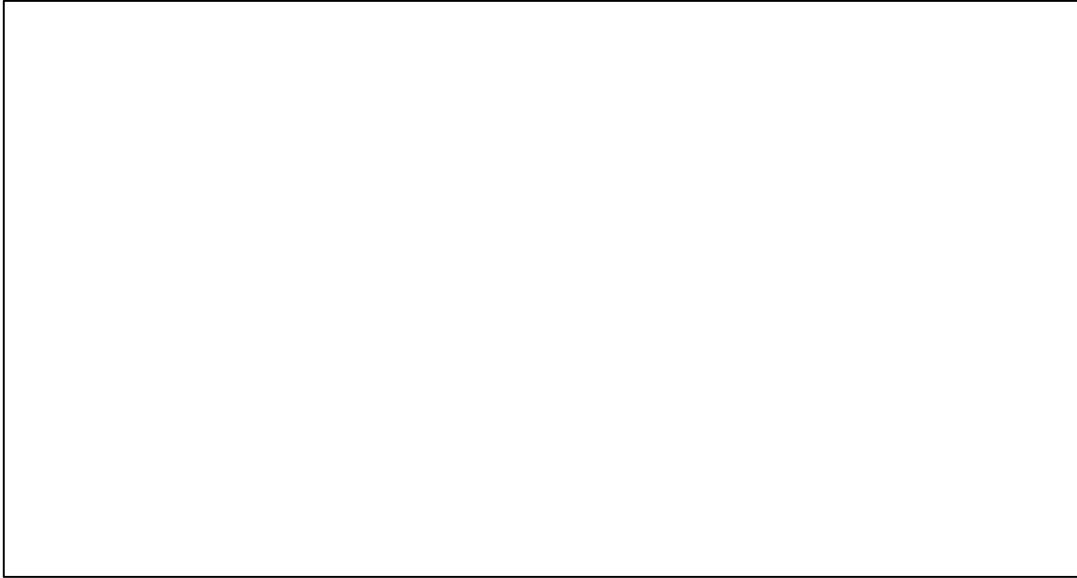

WebEOC Yes ☐ No ☐

Live Process Yes ☐ No ☐

Social Media Yes ☐ No ☐

10. What is the jurisdiction's greatest challenge related to the Situational Awareness capability?

11. What is the jurisdiction's greatest strength related to the Situational Awareness capability?

Public and Private Services and Resources

Jurisdictional Capability Target:

Capability Assessment:

1. Does the jurisdiction have plans for emergency power restoration? Yes ☐ No ☐

2. Does the jurisdiction have a donations management plan? Yes ☐ No ☐

What agencies oversee and/or support this function?

3. Have point of distribution sites for commodities been identified? Yes ☐ No ☐

4. Does the private sector participate in the following:

Pre-incident planning Yes ☐ No ☐

EOC Staffing Yes ☐ No ☐

Response Yes ☐ No ☐

Commodity distribution Yes ☐ No ☐

Commodity storage Yes ☐ No ☐

Sheltering Yes ☐ No ☐

Recovery Yes ☐ No ☐

5. Have MOUs been signed related to resource delivery? Yes ☐ No ☐

6. Have plans for emergency fuel support been developed? Yes ☐ No ☐

7. What is the jurisdiction's greatest challenge related to the Public and Private Services and Resources capability?

8. What is the jurisdiction's greatest strength related to the Public and Private Services and Resources capability?

Partial Assessment of Additional Capabilities

Public Health and Medical Services

1. What agencies are involved in the implementation of the jurisdiction's medical countermeasures plan?

2. Does the jurisdiction have a plan for a mass casualty incident? Yes ☐ No ☐
3. When was the last time an exercise included a mass casualty incident component?
_____ (month/year).

Access Control and Identity Verification

1. Do jurisdictional agencies have systems in place for controlling cyber access to critical systems? Yes ☐ No ☐
2. Do jurisdictional agencies have systems in place for controlling physical access to critical locations? Yes ☐ No ☐
3. Do jurisdictional agencies have systems in place for verifying identity of responders and volunteers? Yes ☐ No ☐

- ☐ Screening, Search, and Detection
- ☐ Access Control and Identity Verification
- ☐ Fatality Management
- ☐ Mass Search and Rescue Operations
- ☐ Health and Social Services

Vulnerable Capabilities

Considering all relevant factors (e.g. funding and training), in which three core capabilities are the jurisdiction's capability levels in greatest danger of decreasing? (Select three)

- ☐ Planning
- ☐ Public Information and Warning
- ☐ Operational Coordination
- ☐ Community Resilience
- ☐ Critical Transportation
- ☐ Environmental Response, Health and Safety
- ☐ Mass Care
- ☐ Operational Communications
- ☐ Situational Assessment
- ☐ Public and Private Services and Resources

Part II: Resource Assessment

This part of the Assessment is due September 30, 2015. Please list **ALL** of the resources needed to achieve the capability target listed in Part I. This would include the items (i.e. planning documents, MOUs, equipment, people, or supplies) and actions (i.e. meetings, exercises, training, or assessments) needed. When possible please use common NIMS typing definitions when listing resources. In Column 2, list the quantity needed to ***fully*** achieve the capability target. In Column 3, list the number of those items already available from **ALL** agencies within the jurisdiction. In Column 4, list the number of those items available within the Homeland Security Region or in an adjacent county. In Column 5, list the number of those items listed in Column 2 that are not available in Column 3 or Column 4.
